## What is Starting Out Right?

*Starting Out Right* provides pregnancy and parenting education, that's meant just for teens. Our instructors will help you make sense of what is happening to your body during pregnancy and prepare you to become a good parent to your baby. You will learn skills to help you make the best choices during your pregnancy, during delivery, and after your baby is born.

## Who is Arizona Youth Partnership?

Arizona Youth Partnership (AZYP) has been providing positive youth development programming in Arizona since 1990. In 2019, AZYP integrated the services of Teen Outreach Pregnancy Services (TOPS) who developed Starting Out Right to provide comprehensive health education and supportive services to pregnant and parenting adolescents in Arizona since 2000. AZYP addresses the unique needs and challenges of underserved, at-risk adolescents by providing support and education in a nonjudgmental environment.
