

# CARE COALITION COMMUNITY TRAINING

Presented by Touchstone Health Services

## Considering Yourself a "Mandated Supporter"

You may be a mandated reporter, but could you consider yourself a mandated supporter, too?

In this session, we'll discuss how we can protect children from adversity by connecting families to what they need.

The strategies and techniques explored are rooted in the Strengthening Families™ Protective Factors Framework, an approach that recognizes when families have access to the supports needed to deal with life's stressors, children thrive.
